- “The ruling classes have in their hands the army, money, the schools, the churches and the press. In the schools they kindle patriotism in the children by means of histories describing their own people as the best of all peoples and always in the right. Among adults they kindle it by spectacles, jubilees, monuments, and by a lying patriotic press.” (Tolstoy, Government is Violence - Essays on Anarchism and Pacifism)

- "統治階層手中握有所有的軍隊、金錢、學校教育、宗教和媒體。在學校，他們利用歷史描述他們自身為全人類中最優秀的族群，而且他們總是正確的那一方（有道理的那方），藉此點燃孩子們的愛國心。在成年人之間也點燃他們的愛國情操，用的手段是壯觀的景象、舉行慶典、興建紀念館以及一個說謊的愛國媒體。"
（改編自托爾斯泰，政府即是暴力 - 有關和平主義與無政府主義散文）

Standards? 標準?

在我們要判斷某件現象的對錯時,只不過要了解那件現象對於生命社區的整體性,穩定性及美有正面還是負面影響;正面的是對,負面的是錯.李奧帕德,沙郡年記

A thing is right when it tends to preserve the integrity, stability and beauty of the biotic community. It is wrong when it tends otherwise.
Aldo Leopold, Sand County Almanac

Me vs my organisation

- It is axiomatic that people will do things as part of an organisation that they would never dream of doing as individuals..... After Paul Hawken, 1992 Ecology of Commerce
-Unless that individual is far enough removed from the consequences of his or her action – think drones and civilian or “collateral” damages, absentee landlords....

Corporatocracy

- Capitalism

- Around the world, both private corporations and the government are jumping into the race to improve the world.
- And are any jumping in the race to trash the world?

Fourth Dimension

- Failure to look at issues from perspectives of short, medium and long term

Is there a problem?

- A problem of direction?
- Economy – what kind of economy?
- Carbon – what kind of carbon?

How we define “profit”

Are you going to

- Be part of the problem?
- Or part of the solution?
- Any business or enterprise that defines profit or “results” other than as long term social and environmental justice is likely to be on the wrong side.

Create and Resist

- Which is more fun
- Dangers because time is running out

Humility

- * we will not struggle to manage over things, we will manage within the unmanageable;
- * we will not battle to organise the totality, we will organise within the unorganisable; and
- * we will not simply know things, but we will know of the unknowable.

Rethinking the Fifth Discipline by Robert Louis Flood

Last thought

Just a humble awakening to the realisation that really we don't know very much about anything and actually never will
